

Neighborhood Design Features

Saylor Woods is a themed subdivision that incorporates common features like the mailbox and post lamp in front of every home. The entire community is also tied into the theme, as entry monuments, street signs and the park all become an integral part of the community experience for each household. Below is a list of the Neighborhood Design

Features and a few pictures to view.

- Entry monuments
- Light post
- Mailbox
- Park
- Playground
- Street Signs
- Subdivision Restricted Community
